DISCOVERY HOUSE

Life is about making tougher choices.

Sometimes even the smallest choice can start a great change.

Discovery House offers you that choice... a chance to change things for the better.

We can help you.

Discovery House offers a wide range of services so you can get back on your feet.

Spend time with someone capable who cares... a counselor, someone to talk with who will listen.

Reduce stress...

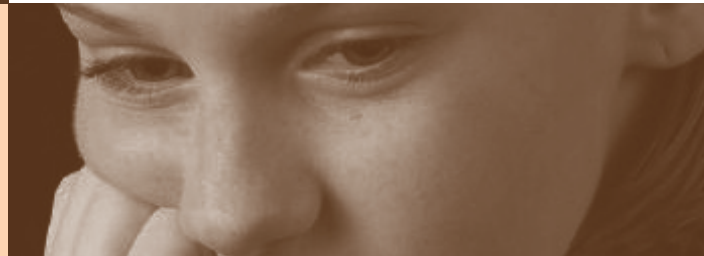

Remain involved in a treatment program so you can eventually rely on yourself and your own resources.

Renew relationships...

Get your family and support systems involved in treatment.

We're here to help.

Only you can make the choice.

Are you or someone you know experiencing any of the following?

- Do drugs sometimes interfere with your work?
- Do others show concern or nag you about your drug use?
- Does your drug use cause you to disregard your responsibilities?
- Does your family or anyone you know complain about your drug use?
- Do you feel guilty or remorseful about your drug use?

If you want help with changing your life, then it's time to call us.

Care.

Our purpose is to give concerned, confidential, individual treatment to every person for whom we care. All our relationships, with patients and colleagues alike, are truthful, open and equitable.

And maybe, through honesty, fairness and consistency, we will succeed, again and again, to improve the well being of our patients.

Our Mission.

To provide comprehensive services for persons affected by addiction through community awareness, quality and holistic clinical services in an efficient, safe and fiscally sound environment.
